- Each question was worth 10 points. Some questions required 2 part answers (2 X 5 points).
- Partial marks were given in certain cases for incomplete answers.
- 9 points were deducted as a penalty for missing a checkpoint completely.
- If 2 teams were tied with the same number of points, their times were then compared and 9 points were deducted from the team that veered furthest from the allotted time for all checkpoints in order to break the tie.
- The maximum score was 500 points.
